

REALSTONE ACCESSORIES

Realstone accessories are all made of the same NATURAL stone which other Realstone products are produced. By finishing off a Realstone project with Realstone accessories ties everything together providing a consistency to the job. This results in a NATURAL stone look that isn't possible with composite or faux stone alternatives. Others will admire your use of NATURAL stone and its rich look. And best of all, you will enjoy that same feeling for years because it is made of NATURAL stone. Another benefit is that Realstone accessories are available in standard sizes reducing cutting, waste, and labor.

REALSTONE ACCESSORIES SPECIFICATIONS

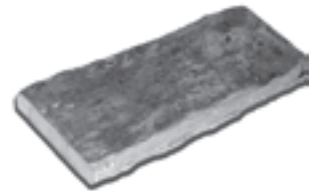

POOL COPING

Pool coping is available in 24" lengths (pool side) and widths of 12" or 16". The average thickness is 1½" to 2" with either a natural chiseled edge or bull nose on the pool side. The finish is natural on top.

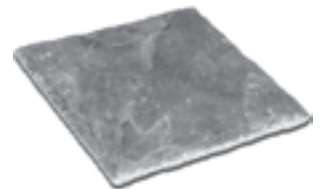

WALL CAPS

Wall caps are 24" length and either 12" or 16" widths. The average thickness is 1" to 1½". The 24" edges are chiseled and sawn on the other edges. The finish is natural on top.

COLUMN CAPS

Column caps come in two sizes, 21" x 21" or 27" x 27" and can be ordered in other sizes. The average gauge is 1½" – 2" with chiseled edges.

WAINSCOT/SILL LEDGES

Wainscot/Sill Ledges are available in random lengths and are approximately 2½" x 2½" with a slight bevel to support run-off. They have a natural finish on the top, front face, and back and are sawn on the two butt ends and bottom.

NATURAL STONE TILE

Realstone Natural Stone is available in loose tile pieces to compliment our entire product line. These tiles can be used to finish an edge or for an entire surface. The tiles are available in two standard sizes 12" x 12" and 18" x 18". The average thickness is ½" and top finish is natural.
