

realstone SYSTEMS™

*Centuries of design tradition of old world European structures brought to life in a collection of premium natural stone veneers hand picked and crafted for simple elegance and timeless beauty.*

**GREYSTONE GOLD**  
quartzite | 18"x 8"x 1" | 12lb | indoor/outdoor

## *Travel along the countryside*

in Northern Ireland and you'll find stone structures of every dimension. From quaint to sprawling. Our Greystone Gold Estate Stone is inspired by these ancient architectural wonders. Beautiful grey quartzite with gold interspersed. Flecked and veined for a pleasing arrangement of color and texture.

## BERKSHIRE BUFF

quartzite | 18"x 8"x 1" | 12lb | indoor/outdoor

## *Berkshire County*

is known as the Royal County of Berkshire because of the presence of Windsor Castle. It has many towns and villages, but also features rural land with grand estates and manors. Our Berkshire Buff has a clean and regal appearance of off white quartzite and large block pieces.

## BRISTOL BLACK

granite | 18" x 8" x 1" | 12lb | indoor/outdoor

## *Bristol*

is the largest city in South West England. Parts of the cities stone structures date back to medieval times. This city, rich in history and architectural interest was the inspiration for our Bristol Black. Made of granite pieces, with white and black striations.

## SOMERSET SAGE

slate | 18" x 8" x 1" | 12lb | indoor/outdoor

## *Rolling Hills*

and a long coastline, Somerset County is rich in tradition and beautiful architecture. Its name means "settlers by the sea." And it is a beautiful inspiration for our Somerset Sage. This greenish slate with occasional auburn highlights is reminiscent of the majestic color of the sea.

# *Our goal is to inspire you*

Estate Stone speaks of old world churches and cathedrals, castles and country manors. Stately mansions in hidden hillsides with sumptuous grounds. Bringing the rustic appearance and raw beauty of natural stacked stone of the European countryside to our Western landscape. The timeless charm of Estate Stone instantly transforms a structure into an inspired treasure.

Realstone Systems searched the globe for premium stone to create our latest product offering. We hand pick our stone for color and consistency. Skilled artisans then craft the stone, according to our stringent specifications into panelized natural stone veneers. It's natural stone with a design flexibility full stone could never offer.
