INSPIRING. TIMELESS. ENDURING.
WE’VE GOT THE HEART OF A PERFECTIONIST AND THE SOUL OF AN INNOVATOR

At Realstone Systems™, we’ve spent years perfecting our natural stone products. Now we’re pairing that knowledge with our drive for innovation to bring you the most high quality, unique and exciting natural stone, wood and mixed media cladding in the industry. And we back it with an unwavering commitment to customer service and support.

While trends have come and gone, and the Realstone family has grown, we have never changed what we stand for: Quality, Integrity, Timeless Beauty, and Endless Possibilities.

QUALITY PRODUCTS
high standards and stringent quality checks
Each Realstone product is made with quality in mind. Our panels have consistent color sizing, no gaps, smooth straight edges, tight tolerances and each product lot is identified on the box.

EXPERIENCED
we’ve been around a while so we’ve learned a thing or two
Starting during the recession taught us patience, perseverance, the value of a good product and more importantly of a good customer. The most important lesson is to never stop improving.

PRO RESOURCES
testing, documentation and design tools
From specification docs to ASTM docs, Visualizer and installation guides, we have the tools to support every project.

PACKAGEING
well packaged for safety and convenience
Our products are optimally packaged for convenience and protection from damage during transportation and on the job site. Less breakage means less waste and a faster installation.

CUSTOMER SERVICE
we’re happy when you’re happy
We believe in the quality of our products and we invest in the quality of our people. That is why our close-knit team of sales and support staff is always happy to answer questions and provide the support materials you need.

GLOBAL PRODUCTS
endless options of what the world has to offer
We go to the ends of the earth to get the highest-quality, most breath-taking new products the world has to offer so we can provide a continuous supply of products.

INNOVATION
We don’t stay ahead of the trends, we set them
Our products are varied and on-trend, and we work hard to make sure that’s the case. We are constantly scouting for emerging trends in both design and technology so that we can keep our catalog of products fresh and relevant.

SPECIAL ORDERS
If you can dream it, we make it
We understand that you may have a specific vision in mind for your unique project. We will work with you to help create the exact look and feel you need to transform your space.
Sierra Accentstone Panel

Arctic White Shadowstone Panels

Portugal Areia Dimensional Tiles, White Birch Ledgestone Panels and Corners
WHITE AND PALE TONES
A fresh take on neutrals, this collection ranges from cool, sparkly whites to warm greys. These colors are perfect for a clean classic look or dialing up the drama, so there’s no surprise that they tend to be customer favorites.
CREAM AND WARM TONES

Ranging from the palest cream to a warm earthy beige, our warm-toned products are easy to implement into any decor but are far from boring. The sparkle, shadow, and natural texture add excitement and offer endless possibilities.

WOOD AND WOOD-LIKE TILES AND PANELS

THE WOOD LOOK

Our wood products include the incredibly lifelike Hive and Antique Wood products. Our indoor/outdoor options are the Hive tiles and Antique Wood panels. These stone and resin based products are incredibly lifelike and offer features that make them extremely durable. The Reclaimed Wood panels are made of repurposed Asian fishing boats and bring a rich warmth and art like interest to interior projects.

Color variations are inherent in all natural stone products. The product colors you see in this brochure are as accurate as current photography and printing techniques allow. We recommend you look at product samples before you select a color.

*All claims and technical information is provided by the Barnwood manufacturer. Information is subject to change without notice.

1. Barnwood and Driftwood products may temporarily produce an odor which will dissipate over time. Products must not be installed in direct contact with heat source.
2. Antique Wood tiles are made of engineered marble and travertine stone which inherently lack uniformity and are subject to variations in aesthetics, color, shade, finish, density, etc. These qualities are inherent to the nature of the product and are not to be considered latent defects. Realstone Systems does not provide installation services.

NEW AND UNIQUE PRODUCTS

DIMENSIONAL PANELS

DIMENSIONAL PANEL
A modern take on the traditional stone panel, the Smoky Birch Dimensional panel has accent pieces gauged for an exaggerated relief, casting deep shadows and creating a visually geometric pattern. The neutral greige tone of the limestone downplays the pattern for a look that is accessible to all design sensibilities.

NEW Smoky Birch Dimensional Panel™

COLOR VARIATIONS ARE INHERENT IN ALL NATURAL STONE PRODUCTS. THE PRODUCT COLORS YOU SEE IN THIS BROCHURE ARE AS ACCURATE AS CURRENT PHOTOGRAPHY AND PRINTING TECHNIQUES ALLOW. WE RECOMMEND YOU LOOK AT PRODUCT SAMPLES BEFORE YOU SELECT A COLOR.

ARCHITECTURAL ACCENTS

Realstone accessories are produced from the same natural stone source as Realstone panels and slabs. Completing a project with Realstone accessories ties everything together and provides a finished, consistent look. The accessories are available in standard sizes and reduce cutting, waste, and labor. The result is a beautiful, seamless, natural stone installation. More info at www.realstone.com

CORNERS

Our pre-built corners are time and labor-saver. Standard pre-cast corners come in two foreground sizes to neatly fit together for inside and outside corners. Estate stone corners are pre-built in one piece and Antique Wood corner is a solid wood piece that fits in to the foreground ends of this panel.

HEARTS & COLUMN CAPS

Hearts come in matching or nontempered forms but can also be used as vailas, paws, or as a variety of other flat surfaces. Estate stone caps are longer versions of the hearts, with slanting chamfered or beveled edges.

WALL CAPS

Large pieces of stone with perfections, shaped of fingered panels, and are generally used as hearths, walls, and other projects.

SILLS

Sills are used as a finish around windows, fireplaces, and are sometimes used as a sill to trim in. They are available in various sizes and finishes.

PORTUGAL TRIM

Portugal projects can be finished off with a variety of accessories, for a complete and finished look. The accessories are available in standard sizes and reduce cutting, waste, and labor.

BULLNOSE TRIM

Start with a 4" x 4" bullnose, then reduces.
