tempered COLLECTION

Realstone introduces a revolution in stone and tile. We've taken our finest natural stone and tempered it with an artist's palette to create the uniquely rich, polished look of glazed tile and genuine leather. The distinctive stone cleft of every piece enhances the depth of color and texture, and with fifteen stunning colors to choose from, there are no limits to the beauty that can be created.

Erin Adams

Erin Adams is an award-winning design innovator and one of today's foremost mosaic tile designers. In her work as both artisan and interior designer, Erin infuses sophisticated urban sensibilities with elements of the folk art tradition that surrounded her as a child.

Erin's work has graced the homes of numerous celebrities and been featured in numerous network TV shows and magazines.

Erin has designed exclusive collections for numerous companies including Ann Sacks, where she was an exclusive vendor for over 13 years.

Her latest designs include a series of glazed stone tile mats which are part of the Realstone Tempered Collection.

UNTAMED LUXE

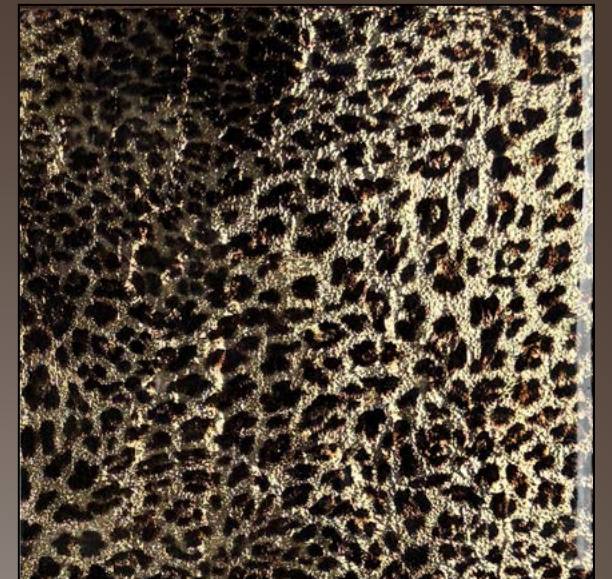

METALLIC ANIMAL PRINTS ON NATURAL STONE TILE

Tempered Metallic Animal Print Tiles are designed to captivate. Rich natural stone texture meets shimmering gold or silver animal print, suspended beneath a glossy resin finish that catches and reflects light from every angle. The result is a surface with remarkable depth, movement, and undeniable glamour.

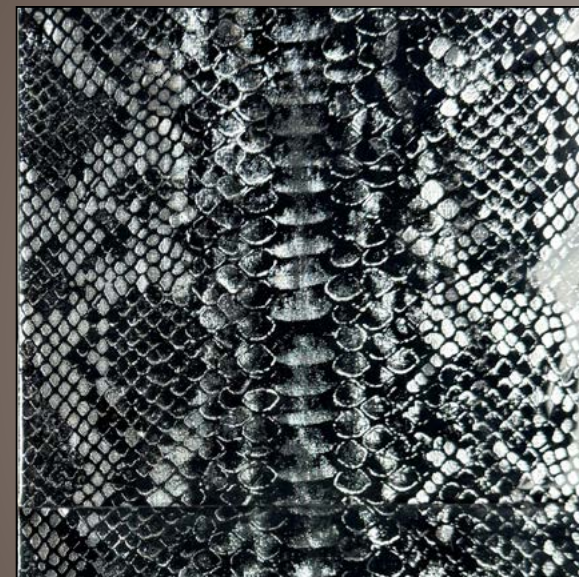

Ideal for statement walls, luxury hospitality spaces, elegant powder rooms, and designer interiors, Tempered Untamed Luxe transforms ordinary surfaces into dramatic focal points. Bold and glamorous, Tempered brings a sense of modern opulence and runway-inspired style to any space. For inspiring installation images visit www.realstone.com/products
